APPLICATION AND INSTALLATION

The product is intended for the installation of electrical wiring, both in an open way and in corrugated pipes, for low-current systems, as well as for other engineering networks.

Rapid installation: The mounting base may be used with compatible engineering installation guns, including powder-actuated fastening tools, for fast fixing to suitable construction substrates. Use only compatible fasteners and follow the tool manufacturer's operating and safety instructions.

Typical uses: cable routing, electrical installation, communication and data lines, low-current systems, and other engineering services.

TECHNICAL DATA

Product	Cable-tie mounting base
Material	HDPE-based reinforced engineering polymer blend
Overall size	32 x 20 x 8.3 mm
Thickness	8.3 mm
Weight	0.01422 kg
Opening	$\phi 10.7$ mm
Fastening	Compatible powder-actuated tool system

Final material, compatibility and fastening conditions must be confirmed against the applicable GP3 production specification.
