APPLICATION

Intended for bundling and securing electrical wiring, corrugated pipes, low-current lines and other engineering networks. The locking head provides a simple manual fastening method.

TECHNICAL DATA

Overall size	4.8 x 250 mm
Bundle diameter	2.5-68 mm
Colour	Black
Weight	Not specified

RAPID-INSTALLATION NOTE

For rapid installation, use the cable tie only with an approved compatible GP3 mounting base and fastening-tool system. The cable tie itself must not be loaded or fired directly from a powder-actuated fastening gun.
